TRAVEL INSURANCE:

- MusicTrip.com and their employees are not insurance agents, providers, or experts.
- MusicTrip.com understands that your travel plans can take many months or more to prepare for, but only a moment to derail. Some travelers may benefit from the peace of mind that insurance can provide.
- Individual families looking to protect their school travel investment may wish to purchase additional coverage such as “Cancel For Any Reason (CFAR)” insurance.
- Coverage is **OPTIONAL** and **NOT** included in your tour package pricing.
- MusicTrip.com encourages individual travelers to consider whether CFAR insurance coverage is right for them. Each individual traveler’s situation is unique, and travelers are encouraged to make the decision that will best meet their needs.
- MusicTrip.com is collaborating with **Travel Insured** if individuals choose to buy CFAR insurance.
- **How to purchase CFAR Insurance from Travel Insured:**
 - Once it is determined that some of your individual parents want the option of CFAR insurance, **MusicTrip.com will register your school trip with Travel Insured.**
 - Once that is done, a web link for that specific school trip will be generated by **Travel Insured** and shared with the music director.
 - The music director can then share that link with their music families in the event that they want to purchase individual insurance with **Travel Insured.**
 - The insurance premium will be determined by the final individual cost of the trip.
 - Please note that the individual “student cost premium” and the individual “chaperone cost premium” will be different since the pricings are different.
 - **IMPORTANT:** For the CFAR insurance to be valid and in force, it must be purchased **BEFORE YOU MAKE YOUR FINAL PAYMENT** to your school.
 - **REMINDER:** CFAR insurance is purchased **INDIVIDUALLY** by parents, and is **SEPARATE** from the individual cost of the trip.
- MusicTrip.com is not involved with the transaction process of selling the insurance. Please contact us for additional clarification if needed.
